**RE: Minor Decoy**

Dear Alcohol Licensee:

This is to notify you in advance that the Santa Monica Police Department will be conducting undercover decoy and surveillance operations to identify retail establishments that sell alcohol to persons under age 21 or to obviously intoxicated patrons.

If a licensee sells alcohol to a minor or obviously intoxicated patron, both the employer and the business owner are subject to criminal liability. For more information about the penalties, please refer to <https://www.abc.ca.gov/trade/Penalty%20Guidelines.pdf>.

As a courtesy, we have enclosed a flyer you can post where your employees will see it.

Thank you in advance for your cooperation and helping us protect the community from the perils of substance abuse.

**Thank you,**
